## Depend on ComForcare<sup>SM</sup> for World Class In-Home Care

### Advanced Proficiency Training Ensures Excellent Care

At ComForcare, we take great pride in our team of experienced caregivers. They are compassionate, knowledgeable, dedicated professionals who work diligently to earn the trust and confidence of every client and family. Every ComForcare employee is meticulously screened with our rigorous six-step hiring process and is fully licensed, bonded and insured.

Now, our new Advanced Proficiency Training program enhances our already experienced and trained caregivers. They receive extensive additional instruction in the areas of:

- Alzheimer's Memory Care
- Home Safety/Fall Prevention
- Food and Nutrition
- Compassion/Dignity/Independence
- CPR
- First Aid
- Medication Observation
- End of Life Care
- Safe Transfers/Ambulation
- TBI

The Advanced Proficiency Training program helps caregivers respond even more quickly and confidently to a wide variety of client needs and unique situations.
